PROJECT ID NO. RDC0011034 - BEVERLY BOULEVARD OVER RIO HONDO CHANNEL (Cities of Montebello and Pico Rivera), Supervisorial District 1

Contractor: MCM Construction, Inc., P. O. Box 620, North Highlands, California 95660

Project Description:

Reconstruction and widening of a bridge and adjacent roadway, installation of traffic signals and street lights, and other appurtenant work.

Project Completion Date:

The contractor completed the project on July 11, 2008, in accordance with the plans and specifications. The delay in forwarding this letter to your Board was due to the length of time required by the contractor to furnish the documentation necessary to close out the contract.

The actual quantities of bid items were less than originally estimated. It was necessary to construct a cross gutter and transport the temporary bridge to the owner. These changes resulted in a net credit of \$161,144.51.

Revised Contract Amount:

Original contract amount	\$8,956,100.05
Changes in work previously approved by the Board	276,298.47
Changes in work authorized by the Director of Public Works	<u>(161,144.51)</u>
